

I Will Survive

Gloria Gaynor

Key of C

Verse 1:

At first I was afraid, I was petrified
Kept thinking I could never live without you by my side
But then I spent so many nights thinking how you did me wrong
And I grew strong, I learned how to get along
And so you're back from outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock I should have made you leave your key
If I had known for just one second you'd be back to bother me

Chorus:

Go on now go, walk out the door
Just turn around now 'cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Did you think I'd crumble? Did you think I'd lay down and die
Oh no, not I, I will survive
As long as I know how to love I know I'll stay alive
I've got all my life to live, I've got all my love to give
And I'll survive, I will survive, hey hey

It took all the strength I had not to fall apart

And I spent oh so many nights just feeling sorry for myself

I used to cry, but now I hold my head up high

And you see me somebody new
G G7 Cmaj7
I'm not that chained up little person still in love with you

And so you felt like dropping in and just expect me to be free

Now I'm saving all my loving for someone who's loving me

Chorus:
